

ZIED SEBAI

Full Stack Web Developer

+21696198553 @ ziedsebai20@gmail.com https://www.linkedin.com/in/ziedsebai/ Sfax, Tunisia

EXPERIENCE

Front End Web Developer

Reachabl

06/2024 - 04/2025 Remote

- Developed and optimized a dynamic user interface using Vue.js and Pinia
- Integrated backend APIs to ensure seamless data flow and functionality
- Created a microfrontend with React and tldraw for whiteboard functionality, bundled with Webpack for integration into the Vue.js project
- Enhanced user experience through efficient state management and responsive design

Full Stack Web Developer

Capsule Hotels Blog

05/2024 - 06/2024 Remote

- Implemented the front end using HTML5, CSS3, and jQuery to create a responsive and visually appealing UI
- Developed custom WordPress templates and integrated them with the CMS using PHP

Full Stack Web Developer

NovinaNet

02/2024 - 05/2024 Monastir, Tunisia

- Designed and developed a dynamic marketplace platform using MongoDB, ReactJS, and NodeJS, following the MVC architecture
- Implemented API integration for seamless sales management by sellers, demonstrating strong back-end and front-end proficiency
- Enhanced application security by introducing robust authentication measures, ensuring secure access control

PROJECTS

Vue Chess Game

https://github.com/ZiedSebai/vue-chess-game

- Designed and implemented a chess application with move highlighting, checkmate detection, and turn-based play.
- Utilized Vue 's Composition API and reactivity for dynamic board updates and seamless gameplay.
- Applied modular design patterns to ensure scalability and maintainability of the codebase.
- Planned additional features, including "en passant" capture and "pawn promotion," for future enhancement.

Real-Time Random Chat Web Application

https://github.com/ZiedSebai/RandomChat

- Built a random chat application using Node.js, Express, and Socket.io for real-time interactions.
- Developed strong socket handling to ensure consistent, error-free communication
- Implemented matching algorithms to pair users based on shared interests

SUMMARY

Versatile web developer with a strong focus on building efficient, user-friendly applications. Known for adaptability, problem-solving, and delivering high-quality results across diverse projects.
